

LEMONS AS MEDICINE

They regulate the Liver, Stomach, Bowels, Kidneys and Blood as prepared by Dr. H. Mozley, in his Lemon Elixir, a pleasant lemon drink. It cures biliousness, constipation, indigestion, headache, appendicitis, malaria, kidney diseases, fevers, chills, heart failure, nervous prostration, and all other diseases caused by a torpid or diseased liver and kidneys. It is an established fact that lemons, when combined properly with other liver tonics, produce the most desirable results upon the stomach, liver, bowels, kidneys and blood. Sold by druggists, 50c. and \$1 bottles.

Church South located in the town of Verbena, Ala. My brother, Rev. E. E. Cowen, recommended the Lemon Elixir to me. Ship me a half dozen large bottles C. O. D.

Jacksonville, July 14.—Generally fair tonight and Sunday. Williams.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. Cheney & Co., Toledo, O. Sold by druggists, 75c. Hall's Family Pills are the best.

The candidates' meeting at Weir Park, Thursday, was a dismal failure. Only two candidates put in an appearance, Strozier and Graham.

EPWORTH LEAGUE SOCIAL

A goodly number of our people attended the "Acquaintance Social" at the residence of Mr. and Mrs. M. M. Little, Thursday evening.

A short program was rendered, consisting of vocal and instrumental music, a recitation and reading, after which the guests were grouped off according to their native states and furnished with questions on same. The answers were very interesting and instructive, and some of them very amusing.

More than one half the guests were Floridians, while five other states and two nationalities were represented.

Among the new residents in our city present were Mr. and Mrs. Walsh, from Indiana, the Misses Pfeifer, from Kentucky, and Miss Perla Lester, from Georgia.

Flowers were in great profusion, which were distributed among the sick members of the league the following day. On the 2nd of August the league proposes to give another social. Announcement of which will be made later.
